If my courses are in English, How can I learn Spanish?

We offer all our international students a free Spanish as a Foreign Language course.

It is valid for 4 credits that you can homologate in your home university!

How can I meet Chilean students?

We have an amazing group of students that organizes activities for international students and their immersion into UANDES and Chilean culture.

They will become your UANDES buddies, as they also volunteer to be academic support for our exchange students.

We have up to 2 activities per month: visits to museums, barbeques and sports days.

Can I take courses from a different field of study?

UANDES has 29 undergraduate programs and courses in diverse areas such as **Health, Business, Engineering, Humanities and Education.**

Also, there is general studies center that offers optative courses from the areas of literature, history, art, science, philosophy and theology, available for all international and local students.

I really want to travel, Where can I go ?

Chile has one of the most varied landscapes in South America. You can go to the north of our country and get to know the most deserty desert in the whole world, you can also go to the south and see impressive glaciers or even the antarctica !

Santiago is 1 hour away from the beach and 1 hour away from the Andes mountains, perfect for adventurous sports.

What sports can I practice at UANDES?

We have a full section of sport's facilities on campus. You can practice **football, rugby, paddle, tennis, hockey, basketball, volleyball**, we have a **climbing wall** and a full equipped gym that can be used by all UANDES Students.

Our campus is next Morro Las Papas trekking trail !!!
